HIGH SCHOOL

# DEDICATION

Telstar Is  
Honored

The Keys Are Presented:  
 A Great New  
 School Is Opened . . .  
 . . . Communication And Learning Begins  
 . . . Telstar.

## DEDICATION 1969

The first Telstar Regional High School yearbook is dedicated to all the townspeople in the School Administrative District #44 and all those others who made Telstar possible!

## MEMORIAM

The seniors who were in the Gould Academy freshman class were greatly saddened by the sudden death of Duane Cross and think about him often at this time of graduation.

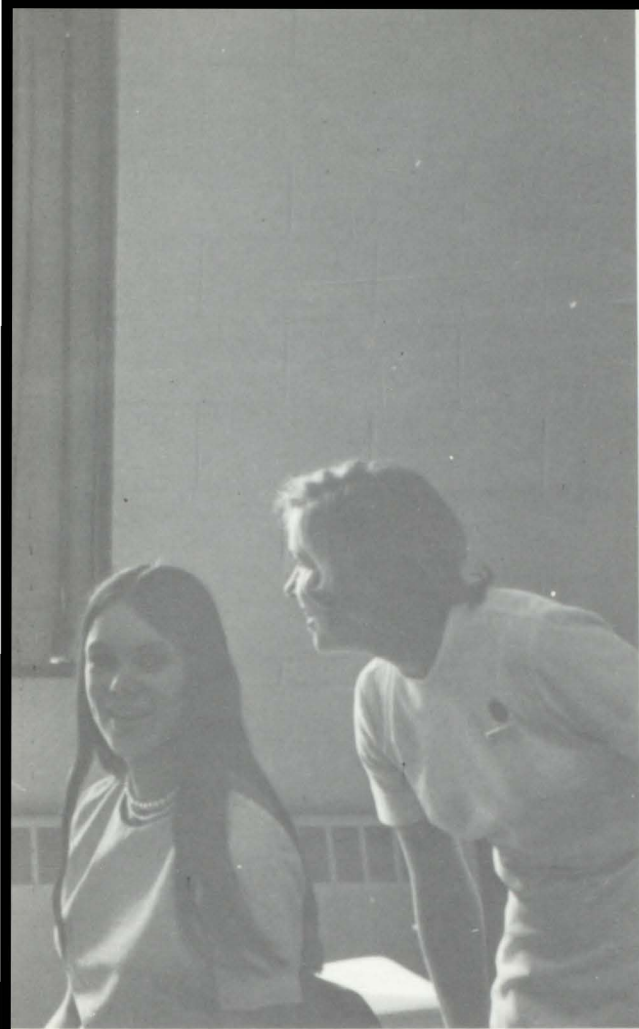

Graduating Class of 1969!

But,  
Telstar Is More  
Than A School,  
It Is  
People . . .  
. . . People In Communication . . .

The Library Club is one of the largest and most active clubs at Telstar. During the course of the year the club has sponsored three dances. The first dance was the Halloween dance, called Neewallah. After the relay races and games, in which the seniors proved victorious, the floor was cleared for dancing.

On the 14th of December, the Library Club joined forces with the French Club and the Pep Club in sponsoring the Christmas Formal. Tables were set up in the hallway outside the cafeteria in a cabaret style, with the buffet table across the hall. A towering Christmas tree decorated in blue and silver was the center of attraction as students and guests danced to the music of The Salty.

Then, on the 5th of April, the Club sponsored a dance as a going-away party for the Mallorcan Tour Students, who were honored guests.

Of course, the main purpose of the Club is to provide assistance in operating the Telstar Library. In their free time, members worked in the library checking out books, shelving and performing other duties. Mrs. Madeleine Gibbs, Librarian, is high in her praise of the good work and cooperation given her by members of the Club.

To conclude the year on a happy note, the Club enjoyed an outing at Abbott's Anchorage.

## FUTURE HOMEMAKERS OF AMERICA

Telstar, during the past year, developed a new chapter of the Future Homemakers of America. Mrs. Dombkowski, Head of the Home Economics Department, was the chapter adviser. The chapter membership for the year was nearly 50. This year's officers were: President, Beverly York; Vice President, Penny Twitchell; Secretary, Beth Andrews; Treasurer, Leona Westleigh; Parliamentarian, Janis Kennagh; Historian, Linda Gilbert; Public Relations, Elaine Conner; Social-recreation Chairman, Cheryl Wight. The chapter members nominated Mrs. Thomas Kennagh and Mrs. Roger Conant, Chapter Mothers.

In September Mrs. Dombkowski, Janis Kennagh, and Anita Young attended the annual FHA Leadership Conference held in Bryant Pond. Since Anita Young was the 1968-69 District E Chairman, the District E Convention was held at our school. Over 250 girls from surrounding schools attended. Elaine Conner and Linda Gilbert did a dance routine, Janis Kennagh, State Parliamentarian, gave a report and showed slides on the National Convention which she attended last July in Miami Beach, and Anita relinquished her office.

The FHA chapter held many Food-Fudge Sales in the Cafeteria, held a Welcome Tea for the visiting Job Corp Girls at our School, collected things for the Health Council at Christmas time for the needy families and donated two Easter lilies to the school in the early spring. In April the chapter went roller skating at the Oxford Roller Rink just for fun.

In the past year the chapter also played a big part in the State FHA Convention which was held in Brunswick on April 26. Anita Young and Janis Kennagh attended the Spring Council meeting the night before to help make last minute plans. Katrina Lowe, Voting Delegate; Ruth Durgin, State Committee Member; Beverly York, Penny Twitchell, Lenora Westleigh, Margee Sylvester, Sally Deegan, Elaine Conner, Karen Bailey, and Beth Andrews attended the convention with the adviser and chapter mothers. Beth and Janis did an interpretive dance routine for devotions, six of the girls took part in Janis' State Project report, and she turned her office to a new State Parliamentarian.

The last event of a successful year was the Mother-Daughter Banquet, where the newly elected officers for next year were installed and awards were given to outstanding 1968-69 FHA'ers.

We are in hopes the new Telstar Chapter of the Future Homemakers will continue to grow as it has during the past year.

## FIELD HOCKEY

In August of 68, a large turnout of girls showed their daring while forming a field hockey team. After a streak of lost games, the team clinched their first victory beating Livermore Falls.

Showing lots of skill in team work and individual skills were Lee Butters, Janis Kennagh, Jo-Anne Bickford, and Debbie Bickford.

Participating in the Northwestern All-star Team try-outs at Kents Hill were Lee Butters, Jo-Anne and Debbie Bickford.

The J.V. team consisted mostly of Junior-high girls. Playing only three games their whole season, their record was 1-2. Many of the eighth-graders on the J.V. team will join and support the Varsity team next year.

Together, the Varsity and J.V. teams would like to thank Coach Hannon for not running out of wind and patience before the season ended.

### GIRLS' BASKETBALL TEAM

This year the girls Varsity and J.V. teams consisted of 20 players. Although we did not have a very successful season, all the girls had lots of fun. We all gained experience as well as good sportsmanship.

We are already looking forward to a better record next year as a lot of the "stars" will be returning to Telstar. Good luck to you all!

## GIRLS' SKI TEAM

The 68-69 year was a building one for the girls' ski team. Aided by three experienced competitors, the team raced at Wilderness Mountain and came home with two trophies (Debbie Bickford and Cindy Kailey).

It is hoped that the size of the team as well the number of ski meets will increase next winter season.

The first practice was held on Gould Academy's lower athletic field, in the middle of August. This was a start of a tough season for Telstar's gridirons. Practice was held, under Coaches Tim LaVallee and Dan Hannon, twice a day prior to the beginning of school. After school started, practice was held every week night.

The season started out with a loss to Mexico on our home field. After several more defeats the team came through with a win over Williams. This victory fired up the team for the next game at Winthrop, with a score of 13-19 a near victory for us. The score was tied 13-13 up until the last two minutes in the ballgame when Winthrop scored a touchdown.

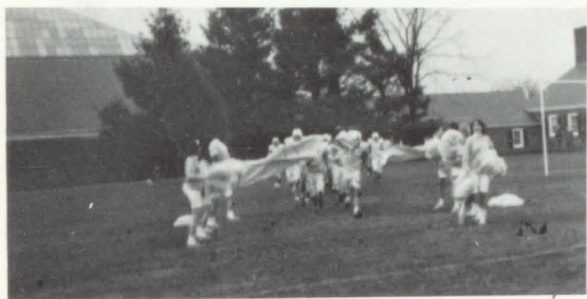

To next year's team "Good Luck" although I don't believe they'll need it to have a victorious year in "69-70".

### BASKETBALL 68'-69'

Although no games were won this year, they were all hard fought battles right down to the final buzzer.

Jay was our closet rival with two real thrillers; losing to them by one point on their home court and losing by three points on our own court.

Even though competition was very rough this year, Coach Keegan and the rest of the team fought very hard in every game.

Kerry Meisner lead the team with the highest point average this season.

Because of the loss of only two senior players, we are looking forward to a successful season next year.

Telstar's first x-country wasn't the best but it wasn't the worst either. We were simply, no brag, just fact, the best Telstar ever had.

We had about a three loss, three victory record. In the more important meets we placed as follows:

Mountain Valley Conference	3rd
State Qualification	3rd
State (Orono)	13th

Mr. Applin did a marvelous job keeping us in shape during the season. We weren't terribly overjoyed about the sprinting, at the time, (and maybe we still aren't) but, thank's anyway **Mr. Appleton.**

The leaves started to fall, the days grew shorter, and people at Telstar got ready for the winter term. About this time a small group of 'individually' minded students took time out from their grueling schedules to form a ski team. A team that was thought little of. A team that had to earn every bit of recognition it got. Yes, we were the underdogs. The only people who came to back us were interested parents. The rest of the student body was too engrossed in basketball. We did receive many hours of patient, but strenuous, hours of training from our coach, Tim LaVallee, who through his never ending efforts made us a winning team. The first team to bring home a plaque and ribbons to start a trophy case at Telstar.

Co-captains were elected to help manage the team. Tom Remington, a very promising Nordic skier (from the well-known Remington family) and I, Brandon Falkenham, were the elected.

The Nordic team was very strong and consistent always having Tom Remington, Dana Melville, and Rex Cummings in the top ten in jumping and Tom Remington, David Robertson, Ross Timberlake, and me in the cross-country. The Alpine team had a few problems, but they did do a very good and important job. When they were functioning well we were sure of some top places. Among the best racers in Slalom and Giant Slalom were Curtis Cole, Brad Fiske, Frank Packard, Ross Timberlake, Jim Haskell, Rex Cummings, and Dana Melville. The team also had three junior high members who seemed very promising in the future. Kevin Trinward actually beat many of the older alpine racers with Peter Blake (when we could find him) also doing a good job. Kevin an eighth grader, Peter a seventh and Randy Olsen another seventh grader took up jumping for the first time and looked quite good after their first season. Jeff Figgins, a seventh grader and Peter Coolidge an eighth grader also aided the team. Jeff, making plenty of noise composed the well-known quote, "Brandon, I've got your hat." Peter made a point of buying out the lunch counters. Mike Davis also aided us on the cross-country course.

We all feel that we had a very successful year with 25 wins and only 5 losses. We were Class B Regional Champions and finished fourth in the State of Maine Interscholastic B Championships.

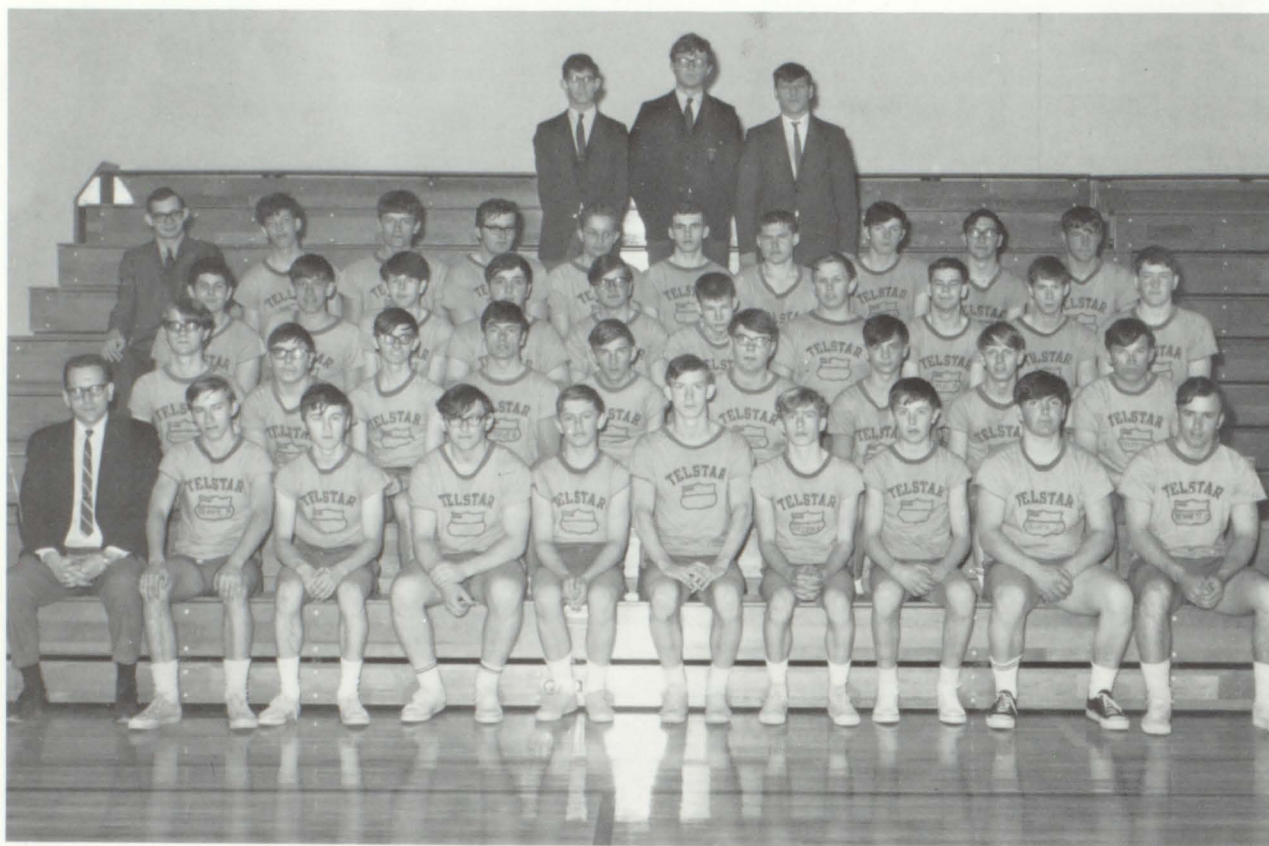

We wish to express special thanks to Clarence Remington who gave much of his free time to help us in so many ways.

Good luck to the future teams of Telstar. Ours was but a small step in becoming New England champions.

## TELSTAR REGIONAL TRACK TEAM

The Telstar track team, consisting of thirty-two of the school's finest athletes, perhaps didn't have the best season possible, but the excellent performance of the underclassmen makes prospects look good for future years. These include Bob Tifft with 51½ points at the time of this writing, Randy Brooke with 49½, Frank Packard with 29, Paul Durgin with 22, and many others who have not scored as much but have worked just as hard. This does not mean, of course, to detract any of the glory from the mighty Seniors who featured Dale "Leroy" Buck with 22 points, Kerry "Goober" Smith with 13 points, and a school record for the discus, Alan Remington and Doug Bennett, both with 13 points, Brandon Falkenham, and last but certainly not least, our famed two-miler, Captain Dave Robertson.

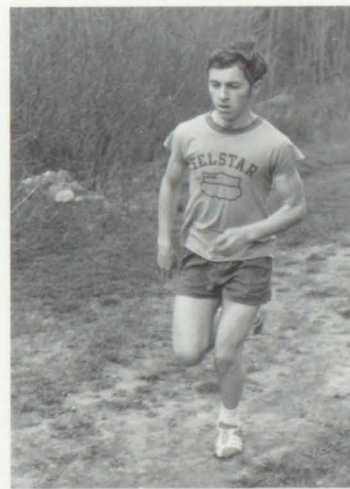

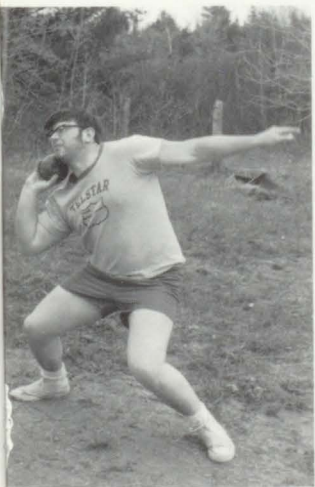

Since the athletic field at Telstar was not completed, the team had this obstacle to overcome. But with the competent coaching of Mr. Kersey, the team came through practicing on tar, gravel, and inner tubes.

The high point of the season came on May 14 when it was announced over the intercom that our boys had beaten another team. Things will surely look much better next year.

It would be unfair to complete this article without congratulating the managers, Gary Page and Dick Jodrey on their excellent work.

As March rolled around, footlockers from home were dragged out and baseball gloves were once again being oiled and broken in for Telstar's first baseball season. The sign-up sheet filled rapidly and the cry of "PLAY BALL" rang from one end of the school to the other. Since there seemed no end to the "wet white stuff", which some people refer to as snow, practice was held on the asphalt driveways and in the slightly soggy parking lot. But alas, the "snow" **finally** disappeared and Telstar picked up her players and moved her efforts towards Bryants Pond and Telstar's new home, "Memorial Field." This would prove to be "baseball's battlefield" in the months to follow. Here's how things turned out.

As you can see, we battled most of the time. Well, it was only Telstar's first year! Next year; well here's who's returning. Dana Melville, Steve Blake, Ron Deegan, Doug Farrar, Phil Mills, Dwight York, the "Timberlake boys" (Ross & Seth), Wayne Howe, Tom Demarest, Duane Scribner, and Randy Knox. Graduating to the "Majors" (or as Mr. Pete Brown says "over the hill!") are Jim Johnson, Steve Hastings, and Stuart Thurlow. You're probably wondering who Pete Brown is by now. Mr. Brown is the "brains" of the outfit who flashes signals from the bench, chews his fingernails before each game, won't let a **certain** girl manage the scorebook, and above all, gives his soothing lectures of what he thinks of us after each game. Sometimes he is thought of a "coach" but he's really just one of the guys. From those of us who are leaving Telstar's squad (all three of us) we wish Mr. Brown and his future all-stars the best of luck in the many baseball seasons to follow.
